

To the elected representatives and government officials of the city of Albuquerque, the state of New Mexico, the United States of America, and the United Nations:

WHEREAS: The United States has a history of having more weapons of mass destruction than any other nation and is the only country know to have used nuclear weapons, and

WHEREAS: Several articles in the press have reported approximately 3,000 nuclear warheads are stored at Kirtland AFB, and

THEREFORE: We the undersigned petition for the following:

*That the officials of Kirtland AFB disclose to the citizens of New Mexico whether these reports are true, and exactly where the weapons of mass destruction are stored;

*That a team of inspectors composed of citizens of New Mexico be permitted to conduct inspections of these weapons of mass destruction;

*That these weapons be moved and disassembled.
